ADULT EDUCATION

soul maps

Kabbalah
to Navigate
Your Inner World

6 Tuesdays
starting on
October 24

Price: \$49

Our upcoming course, Soul Maps, introduces you to the Tanya, a 200-year-old text with a revolutionary new look at human psychology. It provides Kabbalah-based tools to help you understand yourself.

Until the publication of Tanya, the Kabbalah was an esoteric discipline that was studied and understood by only a select few. Tanya, however, sought to make the teachings of Kabbalah practical, relevant, and accessible. Its numerous reprints attest to its success in achieving this goal.

A precursor of the modern self-help genre, Rabbi Shneur Zalman authored Tanya as a substitute for his personal mentorship. If you attend this course, you will experience six virtual sessions of spiritual counseling from a master of Kabbalah and the nature of the soul. You will come to understand the source of guilt, conflict, and confusion, and find useful strategies for developing joy, purpose, and direction in everyday life.

ADULT EDUCATION

HOW WILL YOU DECIDE...

There comes a time when we're forced to choose between conflicting responsibilities or to make ethical compromises for good reasons. How do we decide what is right, and more importantly, what is right for us in our unique situation?

LIVING WITH INTEGRITY

Navigating Everyday Ethical Dilemmas

Packed with real-life scenarios, Living with Integrity challenges you to voice your opinion while providing practical Talmudic wisdom to help you navigate skillfully through life's inevitable ethical challenges. This course will not only provide you with tools to make the right decisions, but it will also enhance your interaction with family and friends.

6 Tuesdays starting on January 16

Price: \$49
